# P.M.A. PROGRAM

## Creating Active Demand for Seeds!

Seed dealers, who are on their toes, are looking into the possibilities of getting some of the seed business that is developing as a result of the Flood and Disaster Relief Program being carried out by P.M.A.

We suggest that you contact the P.M.A. office in your county. This program plus the Soil Conservation Program plus the normal demand for seeds should all add up to a nice fall business for active seed dealers.
